- Construction fencing in place; Support of excavation piling
- Vibration & other monitoring equipment installed
- Underground plumbing and electrical work in progress
- Installation of sidewalk bridge & overhead protection
- Subcellar and Cellar Structure Completed
- Water connection to the street water main

UPCOMING WORK NEXT MONTH:

- Continuation of 2nd phase of temporary walkway to Grand Street
- Continuation of ground floor and 2nd floor structure
- Gas connection to the street gas main

HOURS OF OPERATION:

Monday to Friday, 7am to 6pm,
Saturday 8am to 4:30pm.

CONSTRUCTION SITE:

All work including health and safety protocols on site has been approved in advance by the relevant NYC regulatory agencies, including the NYC Department of Buildings.

CONSTRUCTION EFFECTS:

Grand Street Guild and Monadnock Construction are committed to maintaining a work site that is both safe and clean. We ask for your patience and understanding during times of construction activities.

This month, you can expect the following:

- Truck deliveries within hours of operation.
- Signs, advisories, and temporary construction barriers to guide traffic and pedestrians and promote safety.
- For concrete pour days, work hours may be extended.

CONSTRUCTION HOTLINE:

If you have questions regarding this worksite, please call Monadnock's construction hotline at 347-378-4639.

Additional information regarding this construction site can be found at www.GrandStreetGuild.org.
